

NATIONAL INSTITUTE OF TECHNOLOGY & ADVANCED STUDIES

ACADEMIC REGULATIONS & POLICIES (R-2024)
For All Undergraduate Engineering Programmes (B.Tech / B.E.)

Article 1: Attendance Requirements and Condonation Policy

- 1.1 Every student is expected to attend 100% of all theory, tutorial, and practical classes. However, to account for unforeseen contingencies, a minimum aggregate attendance of **75%** across all registered courses is strictly mandatory to be eligible to appear in End-Semester Examinations (ESE).
- 1.2 **Medical Condonation:** Students having attendance between **65% and 74.9%** on valid medical grounds, approved university sports/cultural representation, or serious family emergencies may apply for condonation. The condonation application must be submitted along with an authorized medical certificate to the Head of Department within **5 working days** of resuming classes, accompanied by a condonation fee of **Rs. 1,000**.
- 1.3 **Detention:** Students whose aggregate attendance falls below **65%** are strictly not eligible for condonation under any circumstances. Such students will be detained, will not be permitted to write the end-semester examinations, and must re-register and repeat the semester in the subsequent academic year.

Article 2: 10-Point Absolute Grading System

The academic performance of a student is evaluated using a 10-point letter grading system:

Grade	Performance Description	Marks Range	Grade Point (GP)
O	Outstanding	91 - 100	10
A+	Excellent	81 - 90	9
A	Very Good	71 - 80	8
B+	Good	61 - 70	7
B	Above Average	50 - 60	6
RA	Re-Appearence (Fail)	< 50	0
SA	Shortage of Attendance (Detained)	-	0
W	Withdrawal from Examination	-	0

Article 3: Assessment Pattern & Weightages

- 3.1 **Continuous Internal Assessment (CIA): 40% Weightage** comprising three Continuous Assessment Tests (CAT-1, CAT-2, CAT-3) of 15% each (best two considered for 30%), plus 10% for assignments, quizzes, and mini-projects.
- 3.2 **End-Semester Examination (ESE): 60% Weightage** conducted as a 3-hour centralized written examination covering all course units.
- 3.3 Minimum passing criterion: A student must secure at least **45%** marks in the End-Semester Examination and at least **50%** marks in aggregate (CIA + ESE combined) to pass a course.

Article 4: Re-evaluation & Answer Script Photocopy

Candidates who wish to apply for re-evaluation of theory courses must apply for a photocopy of their evaluated answer script within **7 days** of result declaration (Fee: Rs. 300 per script). Re-evaluation application must be submitted within **5 days** after receiving the photocopy with a fee of **Rs. 500 per subject**. If re-evaluation results in an increase of 15% or more, 50% of the re-evaluation fee will be refunded.

Article 5: Policy on Malpractice in Examinations

Any candidate found possessing unauthorized materials (notes, mobile phones, smartwatches) inside the examination hall will face immediate cancellation of that specific examination. Level-2 malpractice (copying or impersonation) leads to cancellation of all examinations of that semester and debarment for one full academic year.
